

## Parents' Meetings

Letters have been given out to inform parents of their key worker parents' meeting. Please see your child's key worker to make an appointment.

'Limitless Clarets' is a Burnley FC Sports Disability Programme which offers FREE football, climbing, multi-sports, sensory, and wheelchair sport sessions across East Lancashire for young people aged 5 to 18 who have Special Educational Needs, Impairments, or Disabilities. Go to the link below for more information.

## Nursery School Fund

Please remember to pay the weekly £3 fund. This can be paid weekly or termly in cash or by bank transfer. All money goes to resources used by the children. Thank you.

**We would like to wish all our families 'Happy Eid'. We would also like to wish our parents and carers a 'Happy Mother's Day' for this Sunday.**

## Learning at home

Over the half term we have been exploring different playground games to support our gross motor development and understanding of rules.

At home you could share playground/park games that you enjoyed playing such as football, cricket, passing the ball etc.

## Medical Appointments

We appreciate parents may struggle, but please can parents try not to book medical appointments when your child should be in Nursery. Regular attendance is essential for your child's development.

Friday 28th March 2025

We will be taking part in the Pendleside Bunny Hop on Thursday 3rd April. We would like to invite parents and carers to join their children for this special event. Our morning session Bunny Hop will begin at 11am and our afternoon Bunny Hop session will begin at 2pm. We encourage parents/carers of children that attend 30hrs to attend the afternoon session if possible. **Please remember to return your sponsorship envelopes.** Thank you.

### What we have been learning...

Last week we had lots of fun baking our buns to raise money for Comic Relief. We continued our baking this week as we created biscuits to give to our loved ones as we thought about "Mothers (and others) Day".

We have also been very excited about our new visitors this week...the eggs! We found out lots of information about how our eggs will turn into chicks. Our first egg hatched Wednesday night. The children have been checking the progress of the chicks every day since the eggs arrived.

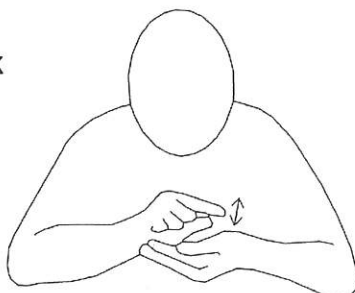

Each week we are going to introduce a new Makaton sign. Makaton is a unique communication programme that uses symbols (pictures), signs (gestures) and speech to enable people to communicate. It supports the development of essential communication skills such as attention and listening, comprehension, memory, recall and organisation of language and expression.

**Our Makaton Sign of the week this week is:**

**chick**
