CHARGING AND REMISSIONS POLICY

INTRODUCTION

The charging and remissions policy is subject to annual review to ensure compliance with statutory requirements.

CHARGING POLICY

Activities without charge

There will be no charge for the following activities:

- education provided wholly or mostly during school hours. This includes the supply of any materials, books, instruments, other equipment and also transport provided in school hours to carry pupils between the school and an activity;
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination which the pupil is being prepared for at the school, or part of religious education;

Voluntary Contributions

The school may ask for voluntary contributions towards the cost of school-time activities to assist with funding, subject to the following conditions:

- Any children of parents who do not wish to contribute will not be treated any differently;
- Where there are insufficient contributions to make the activity viable, or the school cannot fund it from some other source, then the activity will be cancelled.

All requests to parents for voluntary contributions will make it clear that the contributions are voluntary and that there is no obligation to contribute.

Chargeable Activities

The school may recover the full costs of the following activities but charges will not exceed actual cost:

- Any materials, books, where the child's parent wishes him/her to own them;
- Certain early years provision – Lunch Club (see the Education (Charges for early years provision) regulations 2012);

Remissions Policy

Charges for other 'chargeable activities' may be fully or partially remitted. Where appropriate Governors approve the use of the delegated budget and other funding streams such as Pupil Premium to allow 'chargeable activities' to be fully or partly remitted.

Details of remission arrangements will be stipulated when parents are advised of charges for individual activities.
